EDUCATION

Chung-Ang University | Seoul, South Korea — Jun 2025
B.A. in Media & Communication (Double Major in Psychology)

- Dean's List; merit scholarship covering 2025 tuition (GPA: 4.1 / 4.5)
- Relevant coursework: Media Production, Digital Marketing, Consumer Psychology, Communication Theory

San Francisco State University | San Francisco, CA — Jan 2024 – Jun 2024
Exchange Student (Broadcast and Electronic Communication Arts)

- Took hands-on courses in video production, audience analysis and digital storytelling

WORK EXPERIENCE

Studio LuluLala (HLL) | Seoul, South Korea — Jan 2026 – Sep 2026
Producer (PD), Production Team 2 – YouTube Web Variety Show "Wassup Man"

- Joined the Wassup Man reboot from its start, after a four-year hiatus, and shaped its format and direction
- Produced episodes averaging **930K views**, with **24.2M total views** and a peak of **3.48M**
- Produced **185 Shorts**, including the channel's top 6 most-viewed; three passed **10M views** (top: 10.8M)
- Planned weekly topics; booked guests, brand partners and locations; coordinated with advertisers and internal teams; ran shoots on set
- Managed post-production from footage backup and sync through rough cuts, captions and VCR segments to mix delivery; created thumbnails, titles and descriptions, and handled final release

NAVER Corp | Seongnam, South Korea — Aug 2024 – Nov 2024
Content Production Intern, Live Commerce Division

- Supported 3+ NAVER Shopping Live broadcasts per week with on-site production and equipment setup
- Produced 30+ intro and short-form videos that reached a combined 200K+ views
- Created real-time insert videos and captions during live broadcasts, raising viewer retention by 15%
- Coordinated broadcast tie-ins and product page updates for 50+ products

PROJECTS

til. (things i like) – Photo-Based Lifestyle Brand | Seoul, South Korea — Oct 2025 – May 2026
Co-Founder

- Co-founded a lifestyle brand with one partner, turning 16 of our own photos into MagSafe card holders and card stickers, launched on Tumblbug (Korean crowdfunding platform)
- Raised about **$1,350** in a two-week campaign, **467%** of the funding goal, from 63 backers; inspected, packed and shipped every order
- Compared manufacturer samples and quotes; set price and quantity from production, fee and packaging costs
- Wrote product page copy, produced promo Reels, ran Meta ads and tracked content-driven conversions

AIDT Innovation Startup Competition – Ministry of Education | Seoul, South Korea — Nov 2024
Team Leader

- Proposed "iKung," a micro-insurance product covering loss and damage of AI digital textbook (AIDT) devices
- Led a 5-person team through market research, surveys and the business model in a 3-day bootcamp; won the **Excellence Prize** among 20+ teams
